Case No. CV415-149

AMENDED ORDER

The Court **GRANTS** the parties' Joint Motion to Stay these proceedings in light of plaintiff/executrix Valerie Storey's death. Doc. 128. But it also **DIRECTS** the Clerk to **ADMINISTRATIVELY CLOSE** this case without prejudice to the right of any party with standing to reopen it. *See, e.g., In re Heritage Southwest Medical Group PA*, 464 F. App'x 285, 287 (5th Cir. 2012) ("administrative closure does

not have any effect on the rights of the parties and is simply a docket-management device.”). This will spare the parties the stress and expense of juggling deadlines pending completion of the Probate Court proceedings (*see* doc. 128 at 3-4) required to replace the executrix. Upon reopening, the parties shall confer and present a new Scheduling Order within 14 days.¹ Gateway Behavioral Health Services’ motion to quash a defense subpoena (doc. 125) is thus administratively **DENIED** without prejudice to renew it when this case is re-opened.

SO ORDERED, this 4th day of August, 2016.
